

C.G. MACRO PLAN (SYLLABUS BREAK-UP) 2024-2025

Durdana Ahmed Ali Khan

Sections: Gatron/Saphire/OHK

Week	Start Date	End Date	No. of Periods	Topics / Sub-Topics	Contents	Objectives By the end of the unit S.W.A.T.:
<u>TEACHING DAYS</u>						
1	Thu, Aug 01	Fri, Aug 02	4	Introduction Definitions	Definitions of Geography Definitions of Economic Geography Definition of Commercial Geography	Definitions of Geography Definitions of Economic Geography Definition of Commercial Geography
2	Mon Aug 05	Fri, Aug 09	4	Definitions	Definitions of Geography Definitions of Economic Geography Definition of Commercial Geography	Definitions of Geography Definitions of Economic Geography Definition of Commercial Geography
3	Mon, Aug 12	Fri, Aug 16	4	CHAPTER 1 Commercial Activities	Definition of Commercial Activities Classification of Commercial Activities Commercial Activities and the influence of Environment	Define Commercial Activities Name and describe the Five Kinds of Commercial Activities Analyse the elements of environment and discuss its impact on the Commercial Activities.
4	Mon, Aug 19	Fri, Aug 23	4	CHAPTER 2 Men Environment Relationship	Definition and Types of Environment Classification of Physical (Natural) Environment & Non - Physical (Human) Environment	Define Environment and its types Explain the theories of Environmental
5	Mon, Aug 26	Fri, Sep 30	4	Classification of Environment	Environmental Determinism Theory Environmental Possibalism theory	Determinism, Possibalism, describe the Influence of Environment on Human Behaviour.

6	Mon, Sep 02	Fri, Sep 06	4	EIA-Environment Impact Assessment	Influence Of Environment	environmental condition recognition and planning for betterment
7 Found ation Day Septe mber 15	Mon, Sep 12	Fri, Sep 16	4	CHAPTER 3 World Population World Population Chronology Population Growth Trends Demography Transition Theory Density of Population Factors responsible for the Uneven Distribution of world population	<u>POPULATION GROWTH & TRENDS</u> World Population Chronology (Population Growth through Time) World's Sparsely Populated Regions Densely Populated Regions Most Densely Populated Regions Factors responsible for the Uneven Distribution of World Population	Define Population Growth, Density, and Census..Analyse the growth of World Population through time (History.) Gather Facts & Statistics of the Population of Continents, & the top 10 most populous Countries in the world. Continent wise Distribution ,Most Populous Countries Top 10, Demography Transition Theory (Population Growth Stages Analyse the distribution of population, density and also state reasons responsible for the uneven distribution of World Population
8	Mon, Sep 16	Fri, Sep 20	4	CHAPTER 4 Pakistan Population Density Of Population In Pakistan	Sparsely, Densely, Most Densely Populated Regions	Identify the Thinly, Moderately and Thickly populated regions in Pakistan and explain its distribution density
9	Mon, Sep 23	Fri, Sep 28	4	Rural Urban Migration Urban Cities of Pakistan	Factors for rural Urban Migration in Pakistan. Issues and Challenges in Urban Areas of Pakistan	Describe the types of migration and trends of movement from time to time
10 Test 1	Mon, Oct 30	Fri, Oct 04	4	CHAPTER 5 Pakistan-Administrative Units Pakistan Physio graphic Division Climate Of Pakistan	Location, Area, & Boundaries, Neighbouring Countries Provinces & Districts Physio graphic regions of Pakistan. Elements of climate in Pakistan	State the Geographic Location, Area, Boundaries,& Neighbouring countries of Pakistan. Name the Administrative Divisions, Districts of Pakistan. Identify and describe the Physical features of Pakistan.

11-13	Mon, Oct 07 1st Term Exam	Fri, Oct 26 1st Term Exam		First Term Exam		
Term – I Working Days – 68 Teaching Days – 55 Classes Conducted = 40.14%						
14	Mon, Oct 28	Fri, Nov,01	4	CHAPTER 6 Human Resource Management Human Development Index (Hdi)	<u>HUMAN RESOURCES</u> <ul style="list-style-type: none"> • Definition • Occupational Structure (Workforce) • (Developed & Developing Countries) 	<ul style="list-style-type: none"> • Analyse the size, quality and workforce of World Population • State Facts & Statistics of the Population of workforce.
15	Mon, Oct 04	Fri, Oct 09	4	CHAPTER 7 World Lumbering and Forests of Pakistan IMPORTANCE OF FORESTS	Importance & Uses of Forests World Lumbering Classification and distribution of Forests Classify the 6 types of forests of Pakistan	Explain the importance & uses of Forests found in the world Assess the importance of Forest.
09 Nov.(Sat) PTM						

16	Mon, Nov ,11	Sat, Nov,17	4	CHAPTER 8 Agricultural Systems (Methods/Types of Farming) World Crops	<u>CLASSIFICATION:WORLD CROPS</u> <ul style="list-style-type: none"> • Food Crops : Wheat, Rice, Maize • Cash Crops : Cotton &Tobacco Rubber, Coffee, Cocoa & Jut • Tropical & temperate crops tropical equatorial crops. 	<ul style="list-style-type: none"> • Classify the different types and methods of farming on different basis • Identify, Locate and Describe Agriculture.
17	Mon, Nov 18	Fri, Nov 23	4	CHAPTER 9 Agricultural Resources Crops Of Pakistan <u>Food Crops:</u> Wheat ,Rice <u>Cash Crops:</u> Cotton ,Rubber,Tea,Sugar-cane,Tobacco,Oil seeds (Edible Oil) Pakistan Commercial Needs & Future Perspectives	<ul style="list-style-type: none"> • Tropical Monsoon Crops:Rice, Cotton, Tea, Sugar-cane, Tobacco • Temperate Crops:Wheat, Barley • Geographical Conditions necessary for the Growth • Distribution (Producing countries) • Distribution (Growing Areas) • Trade (Importers & Exporters) <p style="text-align: center;">Food Autarky Comparison with other countries</p>	<ul style="list-style-type: none"> • Describe the distribution and growing areas of important crops. Leading Producers &Exporters of important crops • Identify problems of Agriculture and Suggest solutions to agricultural development in Pakistan. <p>Analyse the development of Pakistan in terms of Food Sufficiency & progress</p>
18	Mon, Nov 25	Fri, Nov,30	4	CHAPTER 10 Pakistan Irrigation	<ul style="list-style-type: none"> • Importance and need for irrigation • Means and sources of irrigation in Pakistan 	<ul style="list-style-type: none"> • Comment on the importance and need for Irrigation in Pakistan • Describe the sources and means of irrigation
19	Mon, Dec 052	Fri, Dec 06	4	<u>PAKISTAN IRRIGATION</u> Modes & Means Of Irrigation	CANAL IRRIGATION SYSTEM :Link Canals of Pakistan	Locate and identify the 8 Link Canals. Discuss the salient features of the Indus Water Treaty
20	Mon, Dec 09	Fri, Dec 13	4	Canal Irrigation System	Dams, Barrages Multi-purpose projects of Pakistan	Name the Multi-purpose Projects and dams

						of Pakistan.
21	Mon Dec 16	Fri, Dec 20	4	The Indus Water Treaty Problems Of Irrigation- Link Canals	PROBLEMS OF IRRIGATION Line Loss of water Water-logging & Salinity	Identify and Analyse problems of irrigation & suggest their remedies
22- 23	Winter Break					
24- 25	Second Term Exams Jan, Mon, 06-Fri, 17					
Term – II Total Working Days : 68 + 58 = 126 Total Teaching Days : 55+ 40 = 95 Classes Conducted = 69.34%						
26	Mon Jan, 20	Sat, Jan, 25	4	CHAPTER 11 INDUSTRIES : PAKISTAN AND WORLD	Classification & Types Of Industries Cotton / Woollen Textiles ,Iron & Steel Industry, Fertilizer Industry,	Classify and analyse the Industries of the world. Analyse geographical factors required for Localization of an Industry
27	Mon, Jan 27	Fri, Jan 31		INDUSTRIES : PAKISTAN AND WORLD	,Iron & Steel Industry, Fertilizer Industry,	Classify and analyse the Industries of the world. Analyse geographical factors required for Localization of an Industry

28	Mon, Feb 03	Fri, Feb 07	4	INDUSTRIES : PAKISTAN AND WORLD	Localization Factors,Industrial Centres (Manufacturers)	Identify , locate and describe the distribution of Manufacturing Centres in the World
29	Mon, Feb,10	Fri, Feb14	4	CHAPTER 12 PAKISTAN TRANSPORTATION	Economic Importance of Roads ,Railways ,Ports & Airports of Pakistan	Analyse the present problems of roads and railways in Pakistan and suggest solutions
30	Mon, Feb,17	Sat, Feb,22	4	PAKISTAN TRANSPORTATION	Important Roads ,Railway tracks ,Ports & Airports of Pakistan	Important roads and railways in Pakistan and suggest solutions
31	Mon, Feb,24	Fri, Feb,28	4	CHAPTER 13 World Energy Resources	Economic significance & applications	List and mention the applications of Energy Resources & Power Minerals, Coal, Oil, & Gas
32	Mon, Mar,03	Fri,, Mar,08	4	Power Sources : Thermal, Hydel, Nuclear, Solar, Wind	Reserves, Production ,Distribution, Areas Generation of Electricity Power Projects / Nuclear Plants	Importance / Uses - their characteristics .Distribution Problems & Suggestion, Load-shedding and Power break down in Pakistan.
33	Mon, Mar,10	Fri, Mar,14	4	CHAPTER 14 Power Minerals: Coal / Mineral Oil / Natural Gas	Importance and Uses in the economic development	List present members of OPEC . World Reserves, explain its Occurrence, Uses & Importance
34	Mon,Mar, 17	Fri, Mar,21	4	MINERALS Reserves / Occurrence Iron –ore , Gold , Uranium	Importance / Uses - Types of Minerals and their characteristics .Distribution (Producers) and Mining Areas of Iron-ore, Gold & Uranium Distribution (Producers) and Mining Areas of Iron-ore, Gold & Uranium	Analyse World Reserves of Iron-ore, Gold & Uranium. Evaluate origin, uses & Importance

35	Mon, Mar,24	Sat, Mar,28		REVISION & SYNCHRONIZATION Board paper discussion
36	Mon, Mar,31	Sat, Apr, 04		REVISION & SYNCHRONIZATION Board paper discussion
37	Mon, Apr.07	Fri, Apr,12		PRELIMINARY EXAMINATIONS
38	Mon, Ap,14	Mon, Apr,18		PRELIMINARY EXAMINATIONS
Term – III Working Days : 126 + 57 = 183 Teaching Days : 95 + 42 = 137 Classes Conducted = 100%				

Checked By Head of Department – HOD Durdana Ahmed Ali Khan

INSTRUCTION FOR STUDENTS

1. Stationery : All students are advised to purchase the following stationery for Geography classes :

- ONE FULL SIZE JOURNAL
- OUTLINE MAPSA-4 size (World & Pakistan)

Please note that it is your responsibility to complete your journals on time and get it checked duly signed by me on a regular weekly basis.

2. Recommended Text Books

- Commercial Geography by Fazle Karim Khan (Most Recent Edition)
- Commercial Geography by Yousuf Rehmani (Most Recent Edition)

3. Reference Material

Internet Geography Recommended web-sites :www.worldatlas.com /[www. about.com](http://www.about.com) / www.geohive.com / google earth

4. Assignments :

- Every student must present their assignments on or before the due date. No reminders would be given and NO Excuses.
- Assignments must be typed or in good handwriting, or word format bearing Name, GR#, Section, Assignment #, Date.
